Thanks Tom, Maybe this is the end of the "public prescriptive easement " discussion or is that too much to hope for?

Sue

> Last Thursday, May 21, the Town Council voted unanimously by roll call to abandon the easement on the west side of Saguaro Ranch. The Town is working with the developer and Pima County to expedite the completion of a trail head and trail into Tortolita Mountain Park along the eastern edge of the property as stated in the pre annexation agreement and supported by PTA. Pima County is evaluating our proposal. We hope to have an agreement with them shortly.
